*VOLUME*  
**XXXIV**

Olivet has produced many men and women whose careers have successfully served in the propagation of our religious beliefs and our educational standards. Although these careers have been widely varied, they all represent one dominant theme—that of building.

The days that we, the present student body, have spent in these classrooms, and upon this campus, have also been used in building. Those days of training have come to an end for some of our number, but our building is not completed with graduation from college; only the foundation has been laid. When we consider the immensity of the task that lies ahead, we begin to realize our indebtedness to Godly instructors genuinely interested in our building a suitable dwelling for the one who wrought the whole design—"Jesus Christ himself being the chief corner stone."

May the memories of the activities recorded in this volume be as rich as were the experiences themselves.

**I**nstructors  
In the art of building  
To the fine design  
Of life's great architect  
Our kindly helpers were  
In classroom and at play.  
A chapel for the soul  
They helped us build,  
A place of prayer and praise,  
And for the mind  
A stately foyer make,  
Where Plato, Shakespeare,  
Bach, and Lincoln  
Each his place assumes.  
A "nook" for lighter moods  
We builded there.  
And for this all  
Our earthen house  
They helped us to prepare  
That he may find  
Fit dwelling there,  
Who wrought the whole design.

- Wayne Cooper

# *Dedication*

To those Olivet students who served in World War II, whose valor and achievements serve as blue-prints for the loyalty of American youth—of Christian youth; to those who have made possible the maintenance of this, a Christian nation, and even an Olivet, by their noble sacrifices—we reverently dedicate this 1947

AURORA.

## *Greetings From the President:*

God created this planet for you, but honored you in assigning you the task of creating your own personal world.

You have much material to select from. The good or the bad you select to place in your personality depends upon your evaluation and taste for either the beautiful or ugly in the great array of materials on every hand. Your eyes and ears should select the best in quality for the architectural layout of your life. Thoughtful, prayerful elimination of items of inferior quality will leave only good materials. Thus he who learned to select the highest quality yesterday will know it again today and use it in erecting the house in which he lives, from which will emanate sunshine to others.

A gracious Providence gave you an abundance of the best material. You may use it without cost and build as you will. To select is inevitable. Pray God He will give you eyes with which to see the best, and a pure, wise mind with which to select.

Sincerely,

A handwritten signature in cursive script, reading "George Van Duzee". The signature is written in dark ink on a light-colored background.

ED BRODIEN

LOYD HAZZARD

Olivet's stepped-up program has heaped many extra duties upon the shoulders of our efficient engineer, Ed Brodien. By means of his technical knowledge and experience, "Ed" has proved himself a most important cog in the progressive machinery of a growing Olivet.

In spite of the many difficulties in obtaining and preparing food for hundreds of healthy appetites during the past year, Chef Wellman, and his wife, who makes the best biscuits in the country, have done a grand job of keeping Olivet personnel well-fed.

## BOARD OF TRUSTEES

DR. C. A. GIBSON  
*Chairman*

Dr. Gibson is now serving his third year as chairman of the Board of Trustees. He is a wise leader and a strong advocate of the Nazarene doctrine as established by our forefathers. He is one hundred per cent behind Olivet.

The true greatness of Olivet Nazarene College lies in the broad scope of the foresight of the entire Board, and our steady progress is a result of the vision and prayerful guidance of these, our faithful leaders.

## STUDENT COUNCIL

*Left to Right*—Robert Keys, Gerald Moore, Bernie Smith, Jerome Houck, Harry Grimshaw, Ted Kerr, Dr. Mitten, Helen Cremeans, Estle Doss, Charles Farmer.

By means of an annual election, a president and a treasurer are chosen by the student body to serve as officers of the Student Council. Each class, in turn, elects its own representative to the council. Thus, the students have a medium through which their desires are presented to the administration.

Under the direction of President Ted Kerr, Treasurer Helen Cremeans, and Dr. L. G. Mitten, who has served for two consecutive years as Faculty Advisor, the Student Council of 1946-47 has given a year of faithful service to the students and to the school. From its own ranks, the group elected Harry E. Grimshaw to serve as secretary.

Several projects for the entertainment and cultural advancement of the student body were sponsored by the Student Council this year.

This organization is composed of those students who feel the call of God to foreign missionary work.

The Band, every second week, sponsored a program devoted to various Missionary interests, and every Thursday received the all-student offering that helps carry on the Missionary work of the Church of the Nazarene.

Supplementing these activities, the Band also met once a month for a devotional service and once a week for prayer.

The peak of the year was reached at the Annual Breakfast. At that time officers were elected and plans made for the coming year.

The International Relations Club, a world-wide organization, was organized at Olivet in 1943, under Dr. James R. Garner. This was the answer to the need for an organization to study and further international peace.

The activities of the year included an intercollegiate debate between Olivet and Wheaton College, lectures by Dr. J. R. Gardner on Foundations for International Peace, a lecture on Eire, and the annual banquet co-sponsored with the Commerce Club.

The year was highlighted by the annual Regional Conference at Butler University, Indianapolis, Indiana.

# OLIVET MINISTERIAL FELLOWSHIP

The organization of the Olivet Students Ministerial Fellowship has met a definite need on the campus of Olivet College. The organization was effected on November 26, 1946, with the Dean of the School of Theology, Dr. J. Russell Gardner, presiding, and the President of the College, Dr. Grover Van Duyn, presenting the keynote address.

The Chairman-elect for the year was Rev. Russell D. Bredholt, with Clayton Bailey chosen as vice-chairman. Other officers elected were: Maudie Huston, secretary; Velma Johnson, corresponding secretary; Ted Kerr, treasurer; Ted Holstein, chorister; Maudie Huston, pianist; Carl Greek, program chairman; L. H. Sparks, publicity chairman; and John Smith, social committee chairman.

The primary objectives of the O. S. M. F. are the following:

1. The promotion of Christian fellowship among ministerial students without regard to academic distinctions.
2. Provide for the solution of personal problems through special counsel and advice.
3. Increase the ministerial efficiency of each member by studying the problems of church leadership.
4. Enlarge the perspective of each prospective worker through contact with representative speakers of each department of our church.
5. Secure through united prayer and effort the maximum of Divine blessing on the Fellowship, the School and the Church.

Among the outstanding programs of the year were the films shown by Mr. C. C. Moser of the Salem Children's Home, Flanagan, Illinois.

Inspiring addresses were made by Mr. Jesse Honn, Superintendent of Schools in Bradley, Illinois, and Professor L. A. Marquart, from Olivet.

## STUDENT PRAYER BAND

The Student Prayer and Service Band of Olivet, under the leadership of Virgil Borden, president, and Dr. Grover Van Duyn, sponsor, has a two-fold purpose, first; to foster the development of Christian life through prayer, testimony, and public service; second, to provide a channel for the expression of Christian life through service to others by personal work and public service. Through the Student Devotional Hour each evening at 6:15 to 7:00 the spiritual life of Olivet students has been greatly enriched. These services are to be looked forward to by the new students: they have proved to be unforgettable memories to the out-going students.

The Platonian Philosophical Society is open primarily to upperclassmen of the college, with honorary membership extended to those of the faculty who are interested. It was organized to stimulate thought in the fields of philosophy and theology among the students especially interested in these subjects. Many stimulating discussions were held following the reading of various papers at the monthly meetings. Papers were given by such outstanding men as Dr. C. E. Demaray, Dr. Mendel Taylor, and the Rev. Roy Stevens. A banquet in April, with an outside speaker and the installation of next year's officers climaxed the year's activities. Under the able leadership of the president and his helpful officers, each meeting was stimulating to the minds of all and added to the education of all who attended.

Founded in 1943, the Linguistic Society has become one of Olivet's largest organizations. Students of French, Latin and German are eligible for membership in this club.

The purpose of the organization is to stimulate interest in and acquire knowledge of the peoples of other lands in regard to their customs, traditions, policies and modes of living.

Educational films have been used to further this purpose.

A formal spring banquet with a special speaker is an annual highlight of this group.

# FORENSIC SOCIETY

The Forensic Society is the organization sponsoring speech activities at Olivet. Their constitution states: "The purpose of this organization shall be to increase interest in Public Speaking and to develop the arts of Debate, Oratory, Declamation, and other forms of Forensic activity."

The monthly meetings of the Society included a variety of programs. The "Inspirations at Christmas" was presented to the English Guild at the Christmas meeting and repeated in chapel; a public discussion of Negro Tolerance was given by the advanced speechmaking class. The annual Forensic-Chi Sigma Rho Formal Banquet in the early spring concluded the activities of the year.

# CHI SIGMA RHO

*Fourth Row*—Douglas Blue, Ray Hawkins, Dudley Powers, Floyd Gale, James Conrad, Paul Liddell.

Chi Sigma Rho contributes both an entertainment and an expression of art in a very old form. The Greeks used a speaking choir in their dramas to serve as interpreter between audience and actors. With its roots thus in the classical, Chi Sigma Rho has high ideals for artistic expression. To revive this ancient art form, to develop an aesthetic appreciation of literature through artistic oral interpretation, and to increase the universal appeal of poetry and prose is the object of the choir.

Performance of "A Child Is Born" was given at the Christmas Banquet, and "The Terrible Meek" was given during the Easter season.

## ENGLISH GUILD

*First Row*—Prof. McClain, Gordon Wickersham, Ruth Jones, Betty Downs, Barbara Wind, Madice Kettleson, Prof. Bump.

*Second Row*—Marian Ream, Elaine Gardner, Donita Von Seggen, Ruth Wilfong, Ruth Watson, June Measell.

*Third Row*—Warren Holcomb, Geraldine Brown, Pershing Weaver, Irene Gregg, Renhama Markins.

The Olivet English Guild was founded in 1944. Its purpose is to stimulate an appreciation for contemporary literature and poetry, to encourage creative writing, and to share with its campus compeers its ideals, both in intelligent conversation and creative writings.

Those eligible for membership in the Guild are English majors or minors of junior or senior standing and second semester sophomores working toward an English major.

Two outstanding events of the year were the Chapel program presented on St. Valentine's Day and the spring banquet, with Miss Bump, the faculty adviser, as guest speaker.

# DAUGHTERS OF MARTHA ANN WINES

This organization has been in progress since 1943. It meets once a month and many interesting programs are presented during the year.

The purpose of the organization is to establish a good foundation for future work in the ministry. The fellowship which is enjoyed proves to be a great incentive for future work.

## SCIENCE CLUB

The Olivet Science Club meets on the first Tuesday of each month to discuss the current scientific issues which concern the members of the organization.

The purpose of the club is fourfold: first, to promote a greater interest and a greater appreciation in all branches of science in our college; second to share scientific knowledge among its members and with others; third, to stress the practical applications of the sciences; and last, but not least, to uphold the Christian ideals of our college.

## WOMEN'S DEBATE SQUAD

C. S. McClain, Imogene Raab, Barbara Wind,  
Helen Cremeans, Helen Everett, Ruth Cailey.

The women's debate squad, though slightly smaller in number than the men's, is not inferior in quality. They have an average in debates won and lost equal to that of the men.

The teams have taken part in three tournaments in which most of the contest debating is done. One of these was at Illinois State Normal University at Normal, Illinois; one at Eastern State Teachers College at Charleston; and one at Northern Teachers College at DeKalb. In addition, Olivet's teams have entertained Wheaton College and Houghton College at Olivet, and have visited Wheaton and North Central Colleges for debates.

Olivet Nazarene College resumed its intercollegiate debate relations this year, after having suspended them for the duration of the war. In the years past, debate has been a major activity of the College and the Olivet debaters have given a good account of themselves, having won the Illinois Intercollegiate Championship in 1939 in competition with eighteen colleges and universities.

We are beginning again at the bottom this year; all of the members of the squad are inexperienced. Nevertheless, the squads are demonstrating real ability and have won a total of twenty-seven decision debates, as compared with a loss of nineteen.

# CHRISTIAN SERVICE COMMITTEE

*(Left to Right):* W. B. Larsen, J. R. Gardner, Grover Van Duyn, R. L. Lunsford, C. S. McClain, Thelma Pitts, Louise McKinley, Wayne Donson.

Through the Christian Service Committee Olivet now offers a valuable service to all churches in this area. Each student who wishes to participate in nearby week-end services is supplied with a card from this committee, which certifies his ability as a Christian worker, and at the end of the year he is awarded a certificate indicating a year of satisfactory service. As requests for talent come to the committee, they in turn notify these Christian workers, thus providing opportunities to gain experience in particular fields of training.

About two hundred students are registered for this kind of service and their efforts have already proved fruitful. It is not unusual for the Christian Service Committee to receive reports totaling fifty converts for a single week-end.

## OFFICERS

President, Dr. Van Duyn; Director, R. L. Lunsford; Secretary, Thelma Pitts.

## STUDENT PASTORS

*First Row*—Mertin Wilson, Wendell Arnold, Francis Reeves, Dudley Cook, Collins Thornton.

*Second Row*—Harry Hughes, Charles Farmer, Newman Sheldon, James Weeks.

Conscious of a divine call to preach the gospel, these student pastors, each week-end, leave the campus to minister to outlying churches. The experience gained, the blessings received, and the opportunity to be in active Christian ministry more than compensates for any difficulties encountered.

With such zeal and passion as this demonstrated on the campus and in the churches served, we may be assured that Olivet is steadily and surely building for the future by giving to our church young ministers who have worked well preparing themselves for the great tasks of tomorrow.

# LABORATORY SCHOOL

Two years ago the Laboratory School was established on our campus. Fifty-two pupils are accommodated in two large, suitably decorated and well-equipped, modern school rooms. Mrs. Fay Phillips is teacher for the first four grades, and Mrs. Rachel Chappell teaches the fifth grade through the eighth.

This school is conducted under the supervision of the Kankakee County Educational System, and directed by the Department of Education of the college.

# WOMEN'S RESIDENCE ASSOCIATION

In the spring of 1946 the resident women of the graduating class set up the plans for the Women's Residence Association of Olivet Nazarene College, and left those plans as a legacy to the senior girls of 1947. Registration day last fall, the new organization found itself bereft, because of its first president, Miss Helen Bolander (now known as Mrs. Willard Basham) and another officer or two, ordinarily regarded as vital for cohesion! Quick reconnoitering disclosed a very able president in the person of Miss Barbara Wind, classified as a speech major, and now already distinguished as a charming diplomat of rare ability by her leadership of two hundred fifty women—a grand assignment in any language.

Other officers are Miss Virginia Harshman, vice-president; Miss Charlotte Carmony, secretary; Miss Ruth Watson, treasurer; Miss Pitts, Dean of Women, ex-officio Council member. The officers, and additional representatives from each class comprise the Council, which carries on the legislative and judiciary functions of the organization.

The special projects of the Association this year have been a welcoming party for new students last fall given by the Big-Little Sister Committee, the annual Christmas Dorm Party, the Open House Event in February, and the colorful lawn party for spring. The organization has proved a means of expression and of improvement of group morale and has sponsored a greater degree of esprit de corps among the women students on the campus of Olivet.

# Events *OF THE YEAR*

## **FRESHMAN INITIATION**

With triumphant shouts, the exhibition of two caged specimens of Slobovians, and a mountain of green caps, the sophomores interrupted a perfectly innocent chapel program with the announcement of freshmen initiation. In spite of the vindictive impositions of their oppressors during the following ordeal, the freshmen proved themselves to be good sports and were rewarded by a friendly reception in the gymnasium.

## BUILDING ON THE CAMPUS

In Olivet's eagerness to accommodate a growing enrollment, every available space is being used to the greatest advantage, and new facilities are constantly being added. During the past months the G.I. homes were completed, class rooms were partitioned, the radio department was established, a new switch-board and additional telephone extensions were installed, and other improvements made which aid in making this a greater Olivet.

# CHRISTMAS

One of the most successful projects sponsored this year by the Student Council was the all-school Christmas banquet. The gymnasium was transformed to an array of colorful decoration which was largely a result of the laborious efforts of the student body president, Ted Kerr.

A larger crowd than had ever attended a previous Christmas Banquet, enjoyed an evening of well-planned entertainment. The Chi Sigma Rho, under the direction of Miss McKinley, presented a dramatic performance of "A Child Is Born", which added an unusual significance to this Christmas season.

This pleasant evening of Christmas celebration will long remain in our memories.

## OLIVET NIGHT DINNERS

THELMA PITTS

A pleasant and familiar sight it was on Tuesday evenings to see Olivet's well-dressed young men and women gathering in the candle-lighted dining hall at six-thirty o'clock, to enjoy a brief respite from the week's routine. The Olivet-night Dinners afforded the fellowship of friends in a group and a pleasant bit of variety from our usual cafeteria means of serving.

Talented members of the music department provided dinner music throughout the meal each week, and the presence of Dr. and Mrs. Van Duyn and Professor and Mrs. Larsen, as well as that of several other faculty members, allowed the students an opportunity for association with them which is somewhat rare in the whirl of school activities.

Mr. and Mrs. Wellman worked hard to prepare these delicious meals, and the cheerful contribution of the capable waiters and waitresses, whose work incidentally, was entirely gratis, was greatly appreciated.

# AURORA

It is impossible to record all of the activities of the past year, but we hope that what we have portrayed will enable you to relive some of your experiences at Olivet.

As a result of various hindrances which have been so plentiful, the original plan of the 1947 AURORA has undergone many revisions. However, if we succeed in making your future days of reminiscence more vivid, then our success has been complete.

We are indebted to Professor Strickler for his untiring efforts and time spent in photographing many of the activities depicted in these pages.

Charles Oswalt contributed many hours of relentless labor and planning to provide funds for the AURORA during one of its most financially hazardous years. With the

creation of "The Aurora Kid" he directed the sales campaign which was introduced in a humorous chapel program.

Chuck's beautiful spirit and cooperation were a source of inspiration to the entire staff.

Though hampered by a fire at the printing establishment where the paper had been published and forced to locate another place of publication, the staff lost a minimum amount of time in resuming the bi-weekly schedule of the paper.

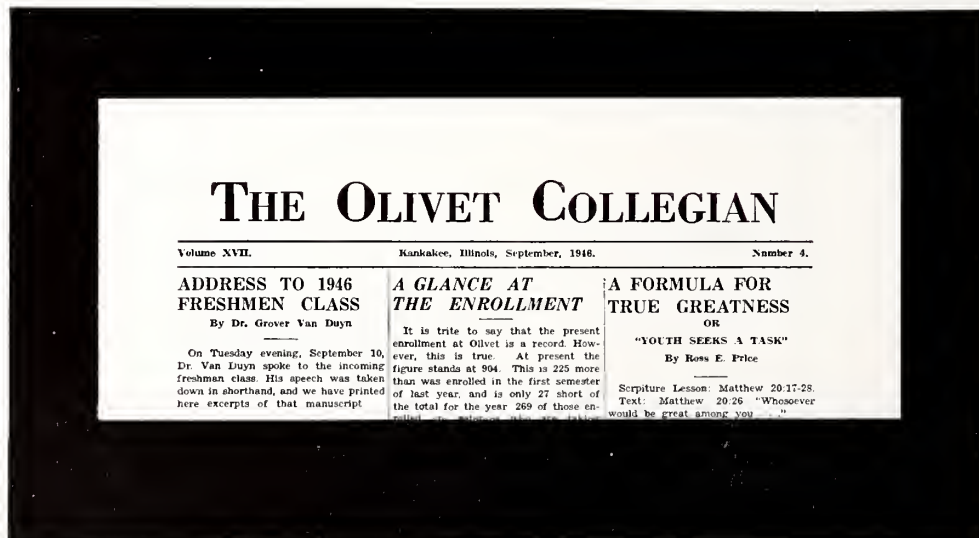

John Strahl the business manager, quite capably provided for financial security—no small task.

# THE COLLEGIAN

The Olivet Collegian is edited by Professor Linford Marquart. It is published quarterly and serves as a bond between the alumni and their Alma Mater. The editor, an alumnus himself, is a virtual storehouse of historical information concerning Olivet. He looks after the interests of the Alumni Association on the campus and is instrumental in attracting prospective students each year.

# Radio

February 3rd marked the completion of the college radio and recording studios located on the fourth floor of the Administration building. Olivet radio courses and classwork are coordinated with the W-O-N-C radio workshop, which is responsible for planning and producing more than 1000 programs a year over our campus station, W-O-N-C. The Radio department consists of one large studio, one announcing room, a control room, W-O-N-C production room, general workshop and office of the Director of Radio, Prof. George A. Snyder.

## COLLEGE CHURCH

REV. ROSS E. PRICE

*Pastor*

Our Pastor has won a place in the hearts of both students and faculty at Olivet. We have all felt his influence as a spiritual leader. His devout life, his passion for the souls of Nazarene youth, and his high standard of intellectuality qualify Reverend Price as an excellent pastor and a model Christian personality. We will not soon forget his enlightening chapel talks nor his whole-hearted participation in all sorts of college activities.

Recently, Reverend Price introduced a church building program which received the immediate, hearty support of the church membership.

The Sunday School and all other branches of the church are steadily increasing as the entire Olivet program progresses. In years to come we will indeed be able to say, "They helped us build SPIRITUALLY."

## **A MESSAGE FROM THE PASTOR**

### **BUILDERS WITH GOD**

*"For we are fellow workmen for God; you are God's . . . Building."*

—I Corinthians 3:9(R.S.V.)

Many an artisan has wrought with bricks and mortar, stone and steel, for the erection of a great and beautiful structure which has endured beyond his own short life as a monument to his vision and industry. Yet the man who builds the wisest is one who builds that which will survive the crashing of bombs and the decay of time. Only personality shall survive beyond the limits of this material world into the eternities that shall follow. Hence, those of us whose privilege it is to become fellow-helpers of the truth in this great adventure of guiding the development of growing personalities here at Olivet are made both to rejoice and tremble in the presence of so great a task.

There is nothing more beautiful and significant than the building of Christ-like Character. And though it must be accomplished line upon line and precept upon precept, the whole structure fitly framed together increases into a true temple for the Living God. Olivet has a contribution to make to the lives of youth in the forming of Christian ideals and the practice of Christian conduct. For this we build, and for this we pray.

Moreover, this building of Christian personality is part of our greater task of building the Kingdom of God. God's people are the living stones built into a spiritual house constituting a spiritual organism indwelt by the Holy Spirit. We are confident that as growing Christian personalities take their part in responsible living that is vicarious in its motivation, we are helping to answer the prayer of a true disciple, "Thy Kingdom Come."

Finally, being convinced that a man's character is also his destiny, we rejoice that the building of Christian personalities is indeed the business of eternity. Our confidence is that some day beyond the years of toil and sacrifice, those who have found Christ at Olivet shall come from east and west, from north and south, bringing with them an innumerable company of redeemed personalities, to enter the mansions of eternal blessedness not made with hands in the City whose builder is God Himself.

To this high and holy goal our hearts aspire. Let nothing cheap, and nothing ordinary enter into our building. Let us use gold, silver, and precious stones, as we build on the foundation which God has laid, even Jesus Christ, our Rock of Ages.

What better monuments could be erected to the memory of Christian educators than the living personalities of those who have found life's highest goals through the influence of dynamic fellow workmen of God?

ROSS E. PRICE.

# REVIVALS

REVEREND HOLLAND LONDON, District Superintendent of the Missouri District, was the evangelist in our fall revival this year. His dynamic messages were designed for the hearts of youth, and were received with enthusiasm and lasting results. Through his searching exhortations and because of the presence of God, many students were led into deeper Christian experiences. His enlightening chapel talks brought us face to face with new frontiers for service, and when the series ended we felt that an integral part of Olivet left with him.

REV. HOLLAND LONDON

We were privileged to have as our evangelist for the spring revival campaign, REVEREND I. C. MATHIS, Superintendent of the Dallas District. This outstanding pastor, evangelist and author was well qualified to minister to the students of Olivet College, and proved by his services to us, to be a messenger of God. As a result of the prayerful efforts of Reverend Mathis in this memorable series of messages, the spiritual life of the Olivet personnel was enriched.

The Orpheus Choir, organized by Walter B. Larsen in October, 1932, has throughout its fifteen seasons striven constantly to make a worthwhile contribution in choral singing. It has also endeavored to bring to its many listeners throughout the middle west a true "Ministry in Music." In order to fulfill this mission, emphasis is placed not only upon a high standard of musical performance but also upon the genuine Christian character of each member.

The repertoire of the choir this year included anthems by David Hugh Jones, Van Denman Thompson, Melius Christiansen, and Clarence Dickinson, as well as a variety of hymns arranged by Professor and Mrs. Larsen.

The highlight of the numerous appearances and events of the choir was the spring tour of Indiana and Ohio. The personnel of the choir, including Professor Larsen, director, and Kenneth Bade, pianist, numbered forty-one.

*Fourth Row*—Betty McCord, Charlotte Carmony, Mildred Grisa, Betty Bronson, Beverly Shroll, Wanda Fulmer, Evelyn Lindberg, Charlene Zook, Donna Randolph, Robena Hubble.

Under the direction of Mrs. Naomi Larsen the Treble Clef Choir, through hard work and perseverance, has forged for itself the reputation of being one of the school's outstanding musical organizations. In order to maintain a high standard of performance, the choir members are carefully selected and thoroughly trained. They are taught not only to sing with technical perfection, but to attain inspirational and spiritual interpretation.

Singing selections by Caesar Franck, T'schaikowski, and Handel, and special hymn arrangements by Mrs. Larsen, the choir never fails to thrill the audience and bring to its attention the splendid achievements in our School of Music.

Outstanding among its public appearances was a concert tour of the Iowa District.

Including Mrs. Larsen, director, and Geneva Van Hook, pianist, this all-girls' choir has a membership of thirty-five.

Increasing its membership from eighteen to thirty-five, the Vikings Male Chorus, under the baton of Professor George Snyder, is rapidly taking its place as one of the leading musical organizations at Olivet. Stressing flawless precision, the chorus has demonstrated real artistry.

In addition to its many activities, including regular appearances in the College Church, the chorus climaxed its year of work with a concert tour throughout northern Indiana and Michigan.

Included in its repertoire were selections by Mozart, Handel, Beethoven, Donizetti, and Dvorak, and hymns arranged for the chorus by Professor Snyder. Miss Elsie Stull acted as accompanist.

*Third Row*—Ben Herrell, Paul Gregory, Earl Morgan, Harlow Koth, Farrell Snow, Ray Brodien, Elwin Price, Ronald Featherston, Virgil Borden, Carl Clendenen, Kenneth Bryant.

The Apollo Choir is a new addition to the Olivet School of Music this year.

Under the direction of Professor Kathryn Zook, this choir has made regular appearances in the College Church, in addition to appearances in chapel programs and the Christmas Concert.

Organized to meet the rising aesthetic demand of a large student body, the Apollo Choir has proved itself worthy of its mission. As in the other ensemble groups, achievement is stressed from the standpoint of spiritual values and technical perfection.

Mrs. J. Russell Gardner acted as pianist for the choir.

# ORCHESTRA

Another addition to the Olivet School of Music this year is the all-school orchestra. Besides providing excellent experience for students interested in ensemble work, the orchestra also acts as another aesthetic outlet for those who are interested in instrumental music.

Under the direction of Professor Walter B. Larsen, the orchestra made two appearances this season.

Because of the numerous talented students enrolled at Olivet, membership in the orchestra is by tryout and is limited to those students who can meet the requirements of the organization.

It is expected that the orchestra will soon become one of Olivet's foremost ensemble groups.

The Women's "O" Club, founded at the same time as the Men's "O" Club, serves to unify the women letter winners. Together, the two clubs sponsor the annual Tip-off day, which is rapidly becoming a tradition in the sports activities at Olivet.

This year the Women's "O" Club played a preliminary tip-off game which was their first game since their organization, and in which they gained their first victory. Their opponents were the Women Alumnae.

# TIP - OFF

Yeah, "O" Club! Yeah, Alumni! could be heard from the 1200 enthusiastic fans crowded into the O. N. C. Field house on the night of November eleventh. The Homecoming day ceremonies began with the chapel program, with Bob Keyes as Master of Ceremonies. The program consisted of the traditional Olivet songs and prophecies by the fans and coaches of the contesting factions. The Alumni dinner was a great success, with Dr. L. A. Reed of the Seminary as dinner speaker, delivering an appropriate and challenging address. The pre-game ceremonies in the Field House were capably and professionally conducted by Bernie Smith. The ceremonial presentation of both squads, and the fine music of the band will linger long in the minds of those who were present. The game itself was one of thrills and chills, ending in a win for the Jones-coached "O" Club and the score 37-27. This was the first win for them, the Alumni having won the four previous years. Those representing the Alumni were: John Hieftje, Orville Maish, Jesse Martin, James Shaw, Wilbur Beeson, Glen Williams, James Green, Selden Kelley, Henry Crawford, and Chick Klingman. Coaching the Alumni this year for the first time was James L. Rice.

The winning "O" Club was represented by: Dale Fruehling, Bob Medcalf, Jim Sumwalt, John Strahl, Carl Clendenen, Robert Clack, Leo Baugus, Kenneth Faust, Robert Keyes, and Virgil Nutt. Professor Jones capably coached the "O" Club to their first win.

The first annual Women's "O" Club-Alumnae game was won by the "O" Club by the score of 38-24. This addition to the Homecoming events gives promise to become traditional. Those representing the Alumnae and doing a great performance were: Mabel Rice, Jean Strahl, June Starr, Jane Arnold, Margie Howe, Betty Martin, and Wilma Shaw.

The winning Women's "O" team was represented by: Betty Fruehling, Donita Von Seggen, Lois Zackmire, Ruth Moriarity, Winnie Wilson, Wilma Leitsch, Jean Hershey, Betty Brown, Wilma Ostrander, Sally Gardner, and Donna Randolph. The Alumnae were coached by Wilma Shaw and the "O" Club by Donna Randolph.

Here are the lettermen of Olivet's athletic program. The society was founded in 1940 with the official name "O" Club. The purpose of this organization is to foster a higher type of Christian sportsmanship and increase the interest in the many athletic games at Olivet Nazarene College. Among the activities of this year's club has been the induction of new members, co-sponsorship of the Homecoming Tip-Off events, and the annual spring banquet.

Officers for the year were: President, Wayne Cooper; Vice-President, Dale Fruehling; Secretary-Treasurer, Raymond Gardner; and Faculty Adviser, Ronald D. Jones.

## ATHLETIC SOCIETIES

SPARTANS: Bob Clack, Sally Gardner, Leo Baugus.

INDIANS: Chuck Oswalt, Donna Randolph, John Strahl.

TROJANS: Dale Fruehling, Donita Von Seggen, Henry Smith.

## REFEREES

This year's intramural athletics have been the most interesting, and also, the most hotly-contested of any in the history of Olivet. Each society jockeyed for position in the opening softball season, and with all three societies acquiring the zeal and enthusiasm of their rookies, added to the steadiness of the veterans, made for a great season on the diamond. The capable leaders of our three athletic societies led their teams into the court games and the field events with the same effective guidance. Hats off to the leaders of the Indians: Oswald, Strahl, and Randolph; the Spartans: Clack, Baugus, and Gardner; and of the Trojans: Baker, Fruehling, and Von Seggen, for a most successful 1946-47 season.

## MEN'S INDIAN SOFTBALL

*First Row*—John Strahl, Robert Griffith, Charles Oswalt, Jack Knighton, Virgil Nutt, Carl Clendenen.

*Second Row*—Clayton Wilson, Howard Martin, Floyd Gale, Don Burghorn, David Nielson, Charles Henderson, Bob Clendenen, Tom Clendenen.

Running away with the Men's title, the Indian Men were coached by "Chuck" Oswalt. They were sparked by the hitting of Donald Burghorn and the pitching of Bob Clendenen and Virgil Nutt. Five of their team made the All-Star squad.

## WOMEN'S INDIAN SOFTBALL

*First Row*—Mary Shaffer, Geneva Sledd, Donna Randolph, Esther Gale, Nancy Conrad.  
*Second Row*—Pearl Street, Mary Johnson, Jean Psaute, Lois Zachmire, Lena Potts.

Since the Women's softball league is continued from the autumn to the spring, no winner had been decided at the time we went to press. However, the Indians, who head the pack with four wins and no losses, were considered a good risk to win the title. Donna Randolph was coach of the team, which was sparked by the pitching of Lois Zackmire and the fielding of Mary Johnson.

## MEN'S SPARTAN SOFTBALL

*First Row*—Robert Ferguson, Kenneth Foust, Leo Baugus, Ray Gardner, Lyle Akers.

*Second Row*—David King, John Jones, Ralph Hodges, Clarence Ward, Bob Clack, Sherrill Wellman, Mascot.

Last year's champs the Spartans, made a game fight to retain the crown, but were unsuccessful in their efforts. They lost three important decisions to the Indians and one other game to the Trojans, while defeating them twice. Their stars were Ray Gardner, Lyle Akers and Kenny Faust. Coach was Bob Clack.

## WOMEN'S SPARTAN SOFTBALL

*First Row*—Sally Gardner, Ruth Moriarity, Winnie Wilson.

*Second Row*—Pat Monroe, Betty Brown, Margie Bradley, Marion Anderson.

Unable to win a game in the fall, the Spartans had hopes of bettering their four losses and no wins record. Sally Gardner is the coach.

## MEN'S TROJAN SOFTBALL

*First Row*—Allen Rice, Virgil Applegate, Richard Crow, John Bundy.  
*Second Row*—Bill Hess, Hardy Powers, Henry Smith, Dale Fruehling.

Finishing a good last, the Trojans managed to win only one game, that against the Spartans. Their coach was the former Indian, Henry Smith. Their one and only star was Moody Schoonover.

## WOMEN'S TROJAN SOFTBALL

*First Row*—Ruth Bergin, Margaret Griswold, Donita Von Seggen, Rosalie Hoopes.

*Second Row*—Lois Gibson, Dwan Swank, Wilma Ostrander, Faith Ricker, Jean Wilson, Alma Brock.

Coached by Donita Von Seggen, the 'Trojans, with a two-and-two record, were ranked as possible repeaters in the league. The home-run hitting of Faith Ricker, the outfielding of Wilma Ostrander, and the pitching of Betty Fruehling were the main factors in the 'Trojans' two wins over the Spartans.

## ALL-STAR SOFTBALL

*First Row*—Don Burghorn, Kenneth Foust, Leo Baugus, Ray Gardner, Virgil Nutt.  
*Second Row*—Tom Clendenen, Lyle Akers, Moody Schoonover, Bob Clendenen, Carl Clendenen.

Taking five out of ten places, the Indians led all societies on the All-Star Softball Team.

Low batting averages that seemed so prominent in the league this year were laid mainly at the feet of Bob Clendenen and Virgil Nutt, the two pitchers on the team.

Moody Schoonover was the only Trojan representative. He hit a lusty .412 average.

Thomas Clendenen showed fine technique and try on every play as he gained the catching spot.

Ray Gardner showed his usual fine play at first and made several "miracle plays."

Leo Baugus came up with snappy plays and consistent ball handling as he took the shortstop position.

Connie Clendenen took good care of the "hot spot" for the champions and was fast on his throws to first.

Showing fine throwing power and making the baserunners wary of it were Kenneth Faust and Lyle Akers.

Don "Lefty" Burghorn had first place batting average of .625.

## ***Your Publishing House . . .***

is an institution of the church. It is controlled by the church. It is operated for the sole purpose of serving the church as a denominational press and supply house and to assist the church in its program of giving the full gospel to the whole world. Its particular part of that program is of course the ministry of the printed page.

To give you an idea of the part the Nazarene Publishing House is privileged to have in the work of the church we give you the following facts:

### **The Nazarene Publishing House**

—has assets totaling more than one million dollars—every dollar dedicated to the task of spreading the gospel over the entire world.

—is literally "girdling the globe with salvation." If the periodicals published since 1912 were placed end to end they would completely encircle the earth and cover more than 20,000 miles on the second circuit. More than 23,500,000 periodicals are now being published annually.

—is filling a vital place in the field of religious book publishing. During the calendar year closing December 31, 1946 more than 156,400 books and booklets have been printed.

—is a substantial contributor to the general interests of the church. Since 1940, more than \$174,000 has been given to various departments of general church activity.

—is equipped and ready to fill orders for anything in the religious field needed for personal, Sunday school or church use. Your patronage is urged for any and all items of a religious nature needed by yourself, your church or your Sunday school.
